### Statement of Warranty

(There are no warranties that extend beyond the description on the face hereof.)

MTC warrants to and for the sole benefit of the original purchaser of its equipment, that such equipment is free from defects in materials and workmanship under normal and proper use, operation, and maintenance. This warranty shall remain in effect for a period of **90 days** from the date of delivery of the equipment to the original purchaser.

The term “original purchaser,” as used in this warranty, means the customer to whom the equipment was first delivered for use.

MTC shall provide both the labor and the parts required to repair, or at MTC’s option, replace any part of the equipment that is determined by MTC to have been defective during the applicable warranty period.

Notice of any defect must be promptly given to MTC or an authorized MTC dealer by the original purchaser.

MTC does not warrant and this warranty does not apply to accessories or attachments not manufactured by MTC which are incorporated in or delivered with the equipment and are warranted by their respective manufacturers.

Damage or defects caused by overloading or other misuse, negligence, abuse, accident, failure to follow operation or maintenance instructions, or from other causes having an origin other than in the manufacture of the equipment are not within the scope of this warranty.

MTC reserves the right to make changes and improvements in the design and construction of its equipment without thereby being obligated to make corresponding changes and improvements in previously manufactured equipment.

The warranty set forth herein is the complete and entire warranty made by MTC and there are no other warranties, either expressed or implied, concerning the merchantability or fitness for a particular purpose, made by MTC.

The right to repair or replace, as set forth herein, is the sole and exclusive remedy for breach of the above warranty, and MTC shall not be liable for any damages, whether direct, incidental, consequential or otherwise, occasioned by any breach of this warranty, or for any charges or expenses of any nature incurred without MTC’s consent. In no event shall MTC’s liability, under any claim, exceed the purchase price of the equipment for which damages are claimed.
